**CACHE-POTS AND
FLOWERPOTS**

КАШПО И ВАЗОНЫ

INTERIOR option

Cache-pots and flowerpots from our company are designed for decorating interior and exterior spaces, concisely complementing any of the spaces.

All products are made of high-strength metal, which is a guarantee of quality and stability in use, and also allows you to paint it in completely different colors and apply any decorative coatings to achieve the most unique look of the product.

Interior flowerpots - are made complete with an internal drainage pot. There are 2 handles inside the pot for easy operation.

Exterior flowerpots - by default, they are made without a pot, and the drainage hole itself is located at the bottom of the planter.

The sizes indicated in the catalog are basic, but we are always ready to make any flowerpots by request according to your wishes.

Кашпо и вазоны нашей компании предназначены для декорирования помещений интерьера и экстерьера, лаконично дополняя собой любое из пространств.

Все изделия выполнены из высокопрочного металла, что является гарантом качества и стабильности в использовании, а также позволяет окрасить его в совершенно разные цвета и наносить любые декоративные покрытия для достижения максимально уникального вида изделия.

Интерьерные кашпо - изготавливаются в комплекте с внутренним дренажным горшком. Внутри горшка расположены 2 ручки для удобной эксплуатации

Экстерьерные кашпо - по умолчанию изготавливаются без горшка, а само дренажное отверстие находится на дне кашпо.

Размеры, указанные в каталоге, являются базовыми, но мы всегда готовы выполнить любые кашпо и вазоны под заказ по вашим пожеланиям.
